

Bank Finance Vs Premium Funding

A better way to pay your insurance premium

	BANK LOAN	PREMIUM FUNDING
LOWER ADMINISTRATION FEES	X	✓
COMPETITIVE INTEREST	✓	✓
NO SECURITY COSTS	X	✓
OPPORTUNITY BENEFIT	X	✓
SIMPLE DOCUMENTATION	X	✓

Opportunity benefit - because capital assets are not involved in the funding of the company's insurance premiums, these resources are available to take advantage of other commercial opportunities ie: discounts for bulk orders or early payment discounts etc.

Three good reasons to pay your premium by monthly instalments

1

It's cost effective

Business people all around Australia are choosing to pay insurance premiums by monthly instalments. The extra cost is small and the cash you save can be put back into the business to increase your profits. It's a system that offers real value for money. As with your commercial insurance premiums the credit charge is also tax deductible.

2

It's simple and safe

You choose the number of instalments most suitable to you. Repay over six to twelve monthly instalments.

The choice is yours!

One easily completed application and the whole transaction is finished within minutes.

Repayment is just as simple. The first instalment can be made by cheque or Direct Debit transfer.

All future payments are then collected by

Direct Debit...

A safe, secure method of payment.

3

It improves your cash flow and profits

Paying annual insurance premiums up front can strain cash flow and tie up valuable capital.

By conserving your cash, you can take advantage of opportunities to grow your business.

And it's through Centrepoint Alliance Limited.
